

## OTCXN Signs Tyr Capital

*Leading Swiss Hedge Fund  
Joins OTCXN as Core Liquidity Provider*

San Francisco, CA – January 22, 2019 -- OTCXN, a blockchain-powered capital markets infrastructure company today announced that Tyr Capital GmbH, a leading Swiss domiciled alternative asset manager, has joined the OTCXN network. Established in mid-2018, Tyr provides a specialized suite of investment services to high-net-worth individuals, family offices and institutional investors.

This month, Tyr launched its flagship fund, Tyr Capital Arbitrage SP. The fund's investment strategy focuses on liquidity provision and relative value opportunities within the cryptocurrency space, across the Over the Counter (OTC) and electronic markets.

“We are excited to work with Tyr Capital whose management team has deep experience as leading market makers across a range of traditional assets. Tyr is an important addition to the globally unique liquidity aggregation solution OTCXN delivers to its broad range of institutional investors in the digital asset markets,” said Rosario M. Ingargiola, CEO and Founder of OTCXN.

“We are delighted to join forces with OTCXN who have delivered a much needed institutional-grade solution in the crypto space. Their combined offering of instantaneous settlement and counterparty risk neutralization allows market participants like us to concentrate on generating alpha,” said Nick Norris, CEO, Tyr Capital.

OTCXN has soft launched its high-performance matching engine, LiquiMatch, as both a Dark Pool and Lit Central Limit Order Book hybrid ECN for cryptocurrencies. Clients on the network will be able to trade on liquidity across all OTCXN trading platforms, including the existing OTC Block Trading venue, via a single collateral account at their preferred custodian. In addition to handling native dark and lit orders, LiquiMatch aggregates market makers' streaming executable quotes, as well as external exchange liquidity, all of which is tradable without a direct financial relationship with each counterparty or placing assets at the underlying exchanges.

### **About Tyr Capital GmbH**

Established in mid-2018, Tyr Capital Partners is a Swiss domiciled alternative asset manager, providing a specialized suite of investment services to high-net-worth individuals, family offices and institutional investors. The firm's founding partners are seasoned finance professionals with a depth of expertise born out of an established trading pedigree in traditional assets and commodities. Tyr Capital leverages the partners' understanding of these markets to create a dynamic trading team. The team actively identifies and capitalizes on opportunities across an extensive range of traditional, new and disruptive asset classes.

### **About OTCXN**

OTCXN is a capital markets infrastructure company using asset digitization, proprietary blockchain technology, real-time collateral management and an array of institutional trading

platforms to organize global liquidity and make it tradable via a single account at a custodian on the network. OTCXN has developed the first technology platform that eliminates counterparty and settlement risk without the use of balance sheet and credit, and without becoming a counterparty to transactions.
